Beginners deserve a better way to learn to play golf!

Most golf programs are incomplete. That is why the **The Barbados Golf Club** uses the Operation 36® Development Model via **FordesGolf HPC** which centers around playing golf. The goal is to help you **shoot par (36) or better for 9 holes.**

STEP ONE: Develop Skills in Classes
We offer weekly group classes for you to attend that are educational and fun.

STEP TWO: Play Your First 9 Holes
Coaches will provide you with a 9 hole playing experience with the Op 36 Model.

STEP THREE: Track Your Golf Journey
The Op 36 Mobile App is your guide outside of classes. It is designed to make it fun to track your golf progress.

TECH FOR TRACKING PROGRESS

At **The Barbados Golf Club** we believe that every golf program should be centered around playing golf and making it fun to track progress overtime. This is why our facility via **FordeGolf HPC** is excited to be a licensed Operation 36® facility. We leverage the Op 36 On-Course Format (see below) and technology to make it fun for our golfers to improve their skills.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Level 1 (25 Yards)

Instead of starting at the full tee box, all golfers begin in Level 1 and will play 9 holes starting 25 yards from each green.

Shoot par (36) or better to pass Level

If they shoot par (36) or better, the golfer progresses to Level 2, where they start 50 yards from each green.

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 levels!
